February 17, 2016

Dear Parents,

It is time again to be planning for your child's education for the coming school year. Included in this packet you will find a *blue* registration form that needs to be returned **with the registration fee of \$200 by Thursday, March 31**. There is also a *white* form that explains the tuition rates for next year and the different forms of financial assistance that are available for students in grades K-8.

Tuition rates for 2016-17 will remain the same as they were this year. Last year we restructured our multiple-student tuition format to more closely represent the cost of educating a student at SHS, and we hope that keeping our rates the same for one more year will help ease that transition for families. We do have many different forms of financial assistance that we offer to families, including state vouchers, tax credit scholarships, and financial aid from the parish.

I know that Catholic education involves a commitment on the part of our families and parish and I want to thank you for your continued support of SHS. As you are deciding where your children will attend school next year, I thought I would share with you some of the highlights from the presentation I made at our Open House in January.

- Sacred Heart is the only Catholic school in Jeffersonville and has been serving the community since 1954.
- Sacred Heart students pray together daily and attend Mass weekly.
- Sacred Heart promotes Christian values and morals in all areas of the school.
- Sacred Heart offers varied preschool options as well as day care, extended care, and summer care programs to meet the needs of today's families.
- Sacred Heart Parish subsidizes the school with around \$200,000 annually to help keep tuition costs lower for our families, and financial assistance is available.
- Sacred Heart employs over 20 dedicated teachers and 20 support staff who have an average of 18 years experience in the field of education.
- Sacred Heart continually works to update computers and school technology
- Sacred Heart earned an "A" grade from the DOE and our students showed "high growth" on the ISTEP+.

These are just a few of the remarkable things happening at Sacred Heart School. I feel very blessed to be working with the dedicated teachers and staff who go out of their way every day to help our students learn and prepare them for a successful life beyond our walls. We are also very blessed to have dedicated parents, families, and parishioners who generously give of their time and talent to help our school succeed. I hope that you will thoughtfully consider all that your children gain from an education at Sacred Heart School as you are deciding their educational plan for next year.

Sincerely,

Ms. Becky Spitznagel, principal

SACRED HEART SCHOOL PRE-REGISTRATION FORM

Parent/Guardian Name _____

Address _____

Phone Number (H): _____ (C): _____
