## **MR. B'S BUZZ**

We experienced another week of academic success at SHS! **Progress Reports** will be available on-line today after 4:00 P.M. If you have a concern for your child in a particular subject area, now is the time to contact your child's teacher.

As I have mentioned several times the past few weeks, I am so blessed to be able to minister and serve as principal of Sacred Heart School. We are so graced with an excellent faculty/staff, committed parents, and students who I personally witness each day becoming closer to Christ by their acts of faith, hope and charity.

Two very important parent groups, our school commission and PSTS are committing countless hours in assisting us in the mission of SHS. Thursday evening our school commission along with the school commissions of the other New Albany deanery schools will attend a training session on the functions and roles of school commission. Together with other stakeholder groups, I will be asking the school commission and the PSTS to assist us with a strategic plan for our school. This plan will include a specific marketing plan and an enrollment management plan. If you have some experience or interest in these areas, we would love to have you on our team.

**Friday's All School Mass** will be at St. Augustine Church this week at 9:30 A.M. Please join us in the most important thing that we do at Sacred Heart School!

**SHS Street Dance** is this Saturday from 7:00 P.M. until Midnight. Unfortunately, I will not be able to experience what I have been told is a fun evening. I am anticipating hearing all about which teacher survived the dunking booth!

While I am away this weekend, each Sacred Heart family will be in my prayers at Mass.

We are anchored in Christ!
