5th-8th 2016-17 Athletic Banquet

This year's banquet will be held **Friday May 12th** at 6:30 in the **PAC** at Sacred Heart. Please remember to return your RSVP sheet to the office no later than Tuesday, May 9th. We are aware that a number of the students have a soccer game at 5:30. We won't start handing any letters, pens and awards out until those families arrive.

2017 Volleyball

The athletic committee is currently looking for volunteer coaches for the 3rd-6th grade volleyball teams. The ability to have a team is contingent on having a volunteer coach and student participation. Without both we will be unable to have a team. If you are interested please email amyterkhorn@gmail.com ASAP. Registrations for volleyball will be going home the first week of May and the Athletic Committee would like to have coaches selected.

Funding/Fundraising

Sacred Heart Athletics is a self-funded commission that is responsible for generating revenue to fund all sports programs (uniforms, equipment, game fees, referees, deanery fees, ECT). The Athletic Committee is always looking for ways to improve or add to our athletic programs. For the committee to do this we have to have the ability to fund additional programs and projects. With growth in enrollment in our K-2nd grade classes we are looking to the future and what their needs will be. Currently we know in the next year or two we will have to purchase additional 3rd/4th grade uniforms to accommodate the growing numbers.

The Knights of Columbus have generously offered to let Sacred Heart Athletics sell parking spots in their lot during Abby Road on the River May 25-29th. This is a great opportunity for athletics to raise money. We are looking for volunteers to help man the parking lot. If you are interested please email Eddie Terkhorn at eterkhorn@gmail.com for more information.

The athletic committee is also looking for a few volunteers to help with planning the 2nd annual Sacred Heart Athletics golf scramble. If you are interested email Eddie Terkhorn eterkhorn@gmail.com
