Mr. B's Buzz

Happy Mother's Day!

This weekend (and every day) we celebrate the love and dedication of our moms. For the past several years Mother's Day has had a special meaning. Like so many other sons and daughters I no longer have the opportunity to thank and express my love for my mom. I do rejoice in knowing that I now have two spiritual moms standing side by side guiding me. My mother had a deep devotion to our Blessed Lady. Watching our second and eighth graders crown Mary in the Rosary Garden last week gave me goose bumps. The innocence and beauty of the moment transforms me into a child again. The unconditional faith that our Sacred Heart children express so beautifully gives me great hope for our future. There is no price tag that can be put on faith formation, and no one does it better than the partnership that we have with teachers and parents here at Sacred Heart School.

As you take time to remember your own mom this weekend, pause for a moment and experience the grace of Jesus' Sacred Heart that is available to us in the Eucharist at Mass!

We Are Anchored In Christ!
