

2017 Sacred Heart 3rd-8th Volleyball

Preregistration Form

Volleyball can begin open gyms in July before we return from summer break. If your child is thinking about playing please fill out this form and return it to the office by May 25. The information will be used to contact player about dates and times of open gyms.

We are also in need of a coach for the 5th/6th team. If interested please contact Amy Terkhorn at amyterkhorn@gmail.com ASAP. The ability for Sacred Heart to have a team is always contingent on having a volunteer coach and student participation. Without both we will be unable to have a team.
