Forming Saints and Scholars

Our Mission: Sacred Heart Catholic school community provides a Catholic foundation which cultivates disciples of Jesus and fosters academic excellence for all God's children.

The Principal's Blog

Last week we preempted Daylight Saving Time with our annual Halloween Parade and celebration of All Saints Day. I look forward every year to Mrs. Daugherty's students dressing in the garb of their saint for Mass. Parents, you can take great pride and satisfaction for the work (and most importantly, the sincerity) that our students who under the guidance of their teacher, presented their saint to us. Thank you, Mrs. Daugherty and third grade students, for reminding us all that we are called to be saints!

This week we continued with our saints' theme in our Faith Families. I want to thank Mrs. Brockwell who took extra time out of her normal teaching day to create our saints' activity for our Faith Families. Students and staff members were fully engaged in learning and imitating great holy men and women of our Church. During this month I want to encourage you to talk with your children about the saints. I also want to invite you to participate with us when we meet in our Faith Families. Be on the lookout in future Newsletters for more information about our Faith Families.

The weather forecast the next few weeks has us expecting some precipitation. And although I hope we do not see that first snowflake any time soon, an early winter may approach, so we want to remind you of the procedures in case of a snow day or delay. If a snowfall during the night causes cancellation of school, listen to the radio or TV stations or check their web sites for Sacred Heart Catholic, Jeffersonville. You can also check the Sacred Heart Catholic Website where we post any change from the calendar as the first item under news. We will activate our Jupiter notification system as soon as possible. *If you have a new phone number or email address since the beginning of school, please be sure to notify the school office with your new information. We use our system to send Jupiter messages to your email address and we may need to call you during the day if we are closing school early.*

As we attend church this weekend with our families, let us continue to keep our current military in our prayers and ask God to continue to bless our veterans for their faithful service to our country. When you see a veteran this weekend, thank her or him for their service!

In Christ's Peace,
Frank Barlag

CHRISTMAS IS COMING: ARE YOU (SPIRITUALLY) READY!

The Advent season is a time of preparation that directs our hearts and minds to Christ's second coming at the end of time and also to the anniversary of the Lord's birth on Christmas.

We are continuing our service projects being sponsored by the SHC Student Council.

1. Bring in socks (all colors, all sizes) to be delivered to Exit Zero for those in need.
2. Canned Food Drive for the Center for Lay Ministries. We need canned food, mac & cheese, paper towels, pancake mix, etc. Our goal is to bring in 1,200 pounds.

These projects will continue through November 20th with the Celebration of our annual "Turkey Trot."

We are thankful for all God's blessings and want to share those blessings with others.

The 7th grade class was studying the thermal energy and learning about insulators and conductors for science class. A competition was held to see who could build the best cooler. It had to be built out of materials that were insulators. The coolers each had a bag of ice placed in them. The class observed to see which cooler held the ice the longest. Sara Sharp and Natalia King had the winning cooler.
