

February 7, 2019

Dear Parent/Guardian,

As I am sure that many of our parents know, illness has hit our school particularly hard this week. The past three days have seen an uncharacteristic number of our students and staff staying home because of their sickness. **After consulting with Father Marcotte, we have decided to close school tomorrow, Friday, February 8th.** There will be no grade school and pre-school classes held on campus. Tomorrow will be an e-Learning Day for students in Kindergarten through 8th Grade. There will be no extended care offered.

If your student was present for school today, his/her teacher's assignments have been given to him/her. The assignments are also on the student's google classroom account. Teachers will be available for assistance for their assignments tomorrow from 9:15 AM until 3:15 PM. **All the assignments are due by 8:00 AM Tuesday February 12.**

I realize that this change in schedule may be an inconvenience for you; however, it is extremely important that we give our students a long weekend to rest, feel better and help those who are not sick to stay that way. We plan to wipe down our classrooms with disinfectant. I appreciate your cooperation and look forward to a healthier environment when we return.

Thank you for your patience and understanding!

Get healthy/stay healthy,

Frank Barlag
